**NOTICE OF PROPOSED RULE MAKING**

**Adopted: October 14, 2009**

**Released: October 16, 2009**

**Comment Date: December 7, 2009**

**Reply Comment Date: December 22, 2009**

By the Assistant Chief, Audio Division, Media Bureau:

1. The Audio Division has before it a Petition for Rule Making filed by Katherine Pyeatt ("Petitioner"), the permittee of Station KKLb(FM), Channel 267A, Madisonville, Texas. The Petitioner proposes the substitution of FM Channel 278A for vacant Channel 299A at Buffalo, Texas, and the substitution of Channel 267A for vacant Channel 278A at Centerville, Texas. The Petitioner states that the proposed channel changes are being filed as part of a hybrid application and rulemaking proposal involving the Petitioner's concurrently filed minor change application.<sup>1</sup> In this application, the Petitioner proposes the substitution of Channel 299A for Channel 267A at Madisonville, Texas, and the associated modification of the construction permit for Station KKLb(FM). The modification of the Madisonville construction permit is contingent upon the requested channel substitutions at Buffalo and Centerville.

2. In support of its rulemaking request, the Petitioner contends that the two vacant channel substitutions will allow Station KKLb(FM) to move from Channel 267A to Channel 299A at a tower site located closer to its community of license, Madisonville. Thus, asserts the Petitioner, this hybrid proposal as a whole serves the public interest.

3. We propose to substitute Channel 278A for vacant Channel 299A at Buffalo<sup>2</sup> with a change of reference coordinates to accommodate the above referenced application. Channel 278A can be allotted at Buffalo at site located 13.6 kilometers (8.5 miles) southeast of the community. The reference coordinates for Channel 278A are 31-21-09 NL and 95-59-47 WL. Likewise, we propose to substitute Channel 267A for vacant Channel 278A at Centerville, Texas,<sup>3</sup> with a change of reference coordinates. Channel 267A

<sup>1</sup> See File No. BMPH-20090831ADM.

<sup>2</sup> Channel 299A was allotted to Buffalo, effective August 3, 2009. See *Buffalo, Iola, Normangee, and Madisonville, Texas*, Report and Order, 24 FCC Rcd 8192 (MB 2009). No petitions for reconsideration of this action were filed, and the allotment has become final.

<sup>3</sup> Channel 278A at Centerville became vacant upon the expiration of a construction permit (File No. BNPH-20060310AAI) on May 24, 2009, and the subsequent cancellation of the permit on June 19, 2009.

can be allotted at Centerville at a site located 11.1 kilometers (6.9 miles) west of the community. The reference coordinates for Channel 267A are 31-14-17 NL and 96-05-34 WL. Accordingly, we seek comment on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the communities listed below, to read as follows:

<u>Community</u>	<u>Channel No.</u>	
	<u>Present</u>	<u>Proposed</u>
Buffalo, Texas	299A	278A
Centerville, Texas	274A, 278A	274A, 267A

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached *Appendix* and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the *Appendix* before a channel will be allotted.

5. Pursuant to Sections 1.415 and 1.419 of the Commission's Rules, interested parties may file comments on or before December 7, 2009, and reply comments on or before December 22, 2009, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Federal Communications Commission, Office of the Secretary, 445 Twelfth Street, SW, TW-A325, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, as follows:

Katherine Pyeatt  
2215 Cedar Springs Rd., #1605  
Dallas, Texas 75201  
(Petitioner)

6. Parties are requested to file an original and four copies of each filing. Filings can be sent by hand or messenger delivery, by commercial overnight courier, or by first-class or overnight U.S. Postal Service mail (although we continue to experience delays in receiving U.S. Postal Service mail). The Commission's contractor, Natek, Inc., will receive hand-delivered or messenger-delivered paper filings for the Commission's Secretary at 236 Massachusetts Avenue, N.E., Suite 110, Washington, D.C. 20002. The filing hours at this location are 8:00 a.m. to 7:00 p.m. All hand deliveries must be held together with rubber bands or fasteners. Any envelopes must be disposed of before entering the building. Commercial overnight mail (other than U.S. Postal Service Express Mail or Priority Mail) must be sent to 9300 East Hampton Drive, Capitol Heights, MD 20743. U.S. Postal Service first-class mail, Express Mail, and Priority Mail should be addressed to 445 12<sup>th</sup> Street, SW, Washington, D.C. 20554. **All filings must be addressed to Marlene H. Dortch, Secretary, Federal Communications Commission, Office of the Secretary. Any filing that is not addressed to the Office of the Secretary will be treated as filed on the day it is received in the Office of the Secretary. See 47 C.F.R. § 1.7. Accordingly, failure to follow the specified requirements may result in the treatment of a filing as untimely.**

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to a rule making proceeding to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules.<sup>4</sup> This document does not contain proposed information collection requirements subject to the Paperwork Reduction Act of 1995, Public Law 104-13. In addition, therefore, it does not contain any proposed information collection burden "for small business concerns with fewer

<sup>4</sup> See *Certification that Section 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules*. 46 FR 11549 (February 9, 1981).

than 25 employees,” pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107-198, *see* 44 U.S.C. 3506(c)(4).

8. For further information concerning this proceeding, contact Andrew J. Rhodes, Media Bureau, (202) 418-2180. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision in the applicable docket is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or any summary of any new information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in the proceeding.

FEDERAL COMMUNICATIONS COMMISSION

John A. Karousos  
Assistant Chief  
Audio Division  
Media Bureau

Attachment: Appendix

APPENDIX

1. Pursuant to authority found in 47 U.S.C. Sections 4(i), 5(c)(1), 303(g) and (r), and 307(b), and 47 C.F.R. Sections 0.61, 0.204(b) and 0.283, IT IS PROPOSED TO AMEND the FM Table of Allotments, 47 C.F.R. Section 73.202(b), as set forth in the *Notice of Proposed Rule Making* to which this Appendix is attached.

2. Showings Required. Comments are invited on the proposal(s) discussed in the *Notice of Proposed Rule Making* to which this Appendix is attached. Proponent(s) will be expected to answer whatever questions are presented in initial comments. The proponent of a proposed allotment is also expected to file comments even if it only resubmits or incorporates by reference its former pleadings. It should also restate its present intention to apply for the channel if it is allotted and, if authorized, to build a station promptly. Failure to file may lead to denial of the request.

3. Cut-off protection. The following procedures will govern the consideration of filings in this proceeding.

(a) Counterproposals advanced in this proceeding itself will be considered, if advanced in initial comments, so that parties may comment on them in reply comments. They will not be considered if advanced in reply comments. (*See* 47 C.F.R. Section 1.420(d).)

(b) With respect to petitions for rule making which conflict with the proposals in this *Notice*, they will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

(c) The filing of a counterproposal may lead the Commission to allot a different channel than was requested for any of the communities involved.

4. Comments and Reply Comments: Service. Pursuant to applicable procedures set out in 47 C. F.R. Sections 1.415 and 1.420, interested parties may file comments and reply comments on or before the dates set forth in the *Notice of Proposed Rule Making* to which this Appendix is attached. All submissions by parties to this proceeding or by persons acting on behalf of such parties must be made in written comments, reply comments, or other appropriate pleadings. Comments shall be served on the petitioner by the person filing the comments. Reply comments shall be served on the person(s) who filed comments to which the reply is directed. Such comments and reply comments shall be accompanied by a certificate of service. (*See* 47 C.F.R. Section 1.420(a), (b) and (c).) Comments should be filed with the Office of the Secretary, Federal Communications Commission, 445 12th Street, S.W., TW-A325, Washington, D.C. 20554.

5. Number of Copies. In accordance with the provisions of 47 C.F.R. Section 1.420, an original and four copies of all comments, reply comments, pleadings, briefs, or other documents shall be furnished the Commission.

6. Public Inspection of Filings. All filings made in this proceeding will be available for examination by interested parties during regular business hours in the Commission's Reference Information Center (Room CY-A257) at its headquarters, 445 12<sup>th</sup> Street, S.W., Washington, D.C.
